WORK EXPERIENCE

Front End Mobile Developer
Project Human City

📅 January 2023 – Present   📍 Markham, ON

- Developed visually appealing and intuitive mobile screens for the on-boarding process using React Native.
- Collaborated with the design team to ensure screens met design specifications and user requirements.
- Conducted thorough testing to ensure screens were functional and free of bugs.

STEM Camp Counselor
Code Ninjas Markham

📅 June 2022 – August 2022   📍 Markham, ON

- Taught complex STEM and Robotics related concepts in an easily comprehensible manner to children during week long camps
- Created a fun and encouraging environment that facilitated learning for children while not compromising their enjoyment
- Reported daily to the Camp Director with respect to the day's activities and productivity in classrooms

Team Member
Tim Hortons

📅 June 2021 – Aug 2022   📍 Markham, ON

- Collaborated with team members and supervisors to ensure orders were made in a rapid and organized manner
- Adapted to difficult situations involving customer service independently on a daily basis

RELATED EXPERIENCE

Projects Director
Western Founders Network

📅 October 2022 – Present

- Worked in a team of four to create a web application that allows you to join/create meetings with features of hand tracking and global chat.
